## True Blue Chat with Jared Benko

On Monday, Eagle Nation joined Georgia Southern's new Director of Athletics, **Jared Benko**, for a **True Blue Chat** following his first official week at the helm of Athletics. During this virtual Q&A session on Facebook Live, he covered topics not limited to facilities, recruiting, and the impact of COVID-19 in regards to college athletics.

Jared's vision for Georgia Southern Athletics? Comprehensive excellence across the board - whether it be in competition or in the classroom. In his coaching staff, Jared looks for integrity, drive, a blue-collar work ethic, innovation, and their ability to develop student-athletes. Viewers also learned what Jared is looking forward to in his new role – getting to know and work with Georgia Southern student-athletes. In addition, he's excited about getting immersed in the Statesboro culture and community with his family and meeting Eagle Nation.
